ANUSHKA SARRAF

Web Developer | Python Developer

Jaipur, Rajasthan | +91 7023003821 | anushkasarraf32@gmail.com

EDUCATION

Bachelor of Technology - Computer Science (AI & ML)

University of Engineering and Management, Jaipur (Rajasthan)

Expected Graduation: 2028

Overall CGPA: 9.09

Semester-wise CGPA: S1: 9.40 | S2: 8.98 | S3: 8.91

Senior Secondary (12th Grade)

Shivaji Public School

Year: 2024

Secondary (10th Grade)

Shivaji Public School

Year: 2022

CERTIFICATES

- Programming for Everybody (Getting Started with Python)
- The Joy of Computing using Python
- Python for Data Science
- Introduction to Data Analytics
- Java Programming for Beginners
- Data Structure and Algorithms

SKILLS

- **Programming Languages**: Python, Java, Javascript
- **Frameworks:** Express.js, React.js, Node.js
- **Tools & Technologies**: Git, Github, VS Code, Jupyter Notebook
- **Area of Interest**: Web Development, Python Development
- **Soft Skills**: Communication, Problem Solving, Quick Learner

PROJECTS

- **NextTrip – Ride Booking Web Application**

  Technologies Used: MongoDB, Express.js, React.js, Node.js

  - Developed a full-stack ride-booking web application using the MERN stack
  - Implemented user authentication and authorization using JWT
  - Built RESTful APIs for handling user data and ride requests
  - Designed responsive and interactive UI using React.js
  - Integrated MongoDB for storing user and trip information
  - Implemented real-time ride updates and communication using Socket.IO

- **AI Content Generation Suite**

  Technologies Used: React, TypeScript, Gemini API

  - Built a multi-feature AI-powered web application using React and TypeScript
  - Integrated Google Gemini API to generate dynamic content including images, stories, and career roadmaps
  - Developed reusable and modular UI components for scalable frontend architecture
  - Implemented real-time API handling with loading states and user interaction feedback
  - Optimized development workflow using Vite for faster builds and performance
